

## Cashing Out Your Affiliate Earnings: Here's How!

So you have accumulated some commissions with the Hostinger Affiliate program and want to cash out your earnings? It's quick and easy! We prepared a simple guide to make it even simpler.

This program allows you to earn commissions by referring new users to Hostinger. Usually, commissions start at 60% of hosting service sales.

Proceeding your affiliate payment on Hostinger is easy.

### Here's a quick guide on how you can cash out your affiliate earnings:

1. Please make sure that your commission reaches \$100 including orders which went through the 30-day-trial period.
2. Send your payout request to [payments@hostingermedia.com](mailto:payments@hostingermedia.com) (before the last day of the month). It must include:
  - The e-mail address which you use to login to your affiliate panel;
  - Your PayPal ID.

Keep in mind that we do not reply from [payments@hostingermedia.com](mailto:payments@hostingermedia.com). If you have any questions, please contact your affiliate account manager.

If you submit all of the required data, we will process your payout request. Note that this commission **payout happens once between the 8th and 12th day every month.**

### Notes:

Minimum payout is **\$100**.

You can cash out commissions that have went through the **30-day trial period**. Make sure your **PayPal details** are available on your affiliate dashboard.

More information regarding affiliate commissions can be found [here](#).
